

Case Management Request Form

UW Health Patient Resources offers a Case Management program to Quartz members. The program staff consist of RN and Social Service Case Managers who perform a comprehensive assessment, coordinate care and resources, communicate with the patient and health care team, and work toward individual goals.

There are many reasons we offer CM, such as –

- Assisting with coordination of care for chronic diseases or medical complexity
- Frequent hospitalizations

To request Case Management services, you can –

Call: (608) 821-4819

UW Health Providers: Enter an order for Complex Case Management in HealthLink

Fax this form to: (608) 833-3203

Mail this form to: Patient Resources – 7974 UW Health Court, Middleton, WI 53562
